Perfection Spring & Stamping Receives “2014 Metal Stamping Award”

[Award Winner – Metal Stampings](#)

Award Plaque Honors the Achievement

ARLINGTON HEIGHTS October 6, 2014 -- Perfection Spring & Stamping has been selected for the 2014 Best of Arlington Heights Award in the Metal Stampings category.

Each year, the Arlington Heights Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 USCA Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties. Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.

Since 1955, Perfection Spring & Stamping Corp. has been prototyping and manufacturing custom metal Stampings, Fourslide Components, Springs, Wireforms, and Assemblies. Perfection Spring & Stamping Corp. is very proud and honored to have received the recognition, as they strive to work with their customers as though they are a division of every company they do business with. They share ideas & concepts, innovate and redesign along with real cost effective solutions. They communicate national and global trends which may affect the custom components manufactured for a global customer base. Ultimately, they "Work for our customers".
