## **Primary Manufacturing Departments:** **Punch Press, Fourslide, Coiling & Assembly**

Although we may not have a specific opening in one or more of the following areas at this time, we are always looking for qualified individuals ready to make a change to enhance or expand their career. Regardless of whether we have a current opening available, we are always happy to review your resume, keep it on file for one year, and contact you in the event a position does open that matches your qualifications.

### **Assembly Department**

Production Cell Operators (*1<sup>st</sup> and 2<sup>nd</sup> Shift*): Various manual and semi-automatics assembly

Perform multiple tasks in our manufacturing areas including parts packing, assembly, wash operations, sorting and other job duties. This is an entry level position and training is available to any person willing to dedicate themselves to learning these new skills. Direct experience in the metal stamping/coiling industry a plus, but not required.

On the job training available for those willing to learn!
